

Transact Online Seamless Import

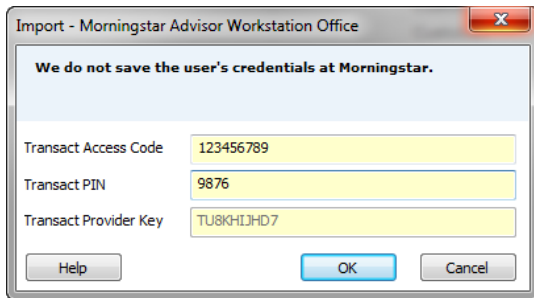

To seamlessly import from Transact Online, log into Adviser Workstation and click Import:

Select either Transact Quick Accounts (only current positions) or Positions with History (saves history) by double clicking:

Enter your Transact access code and PIN, click OK and Adviser Workstation will take care of the rest:

Import - Morningstar Advisor Workstation Office

We do not save the user's credentials at Morningstar.

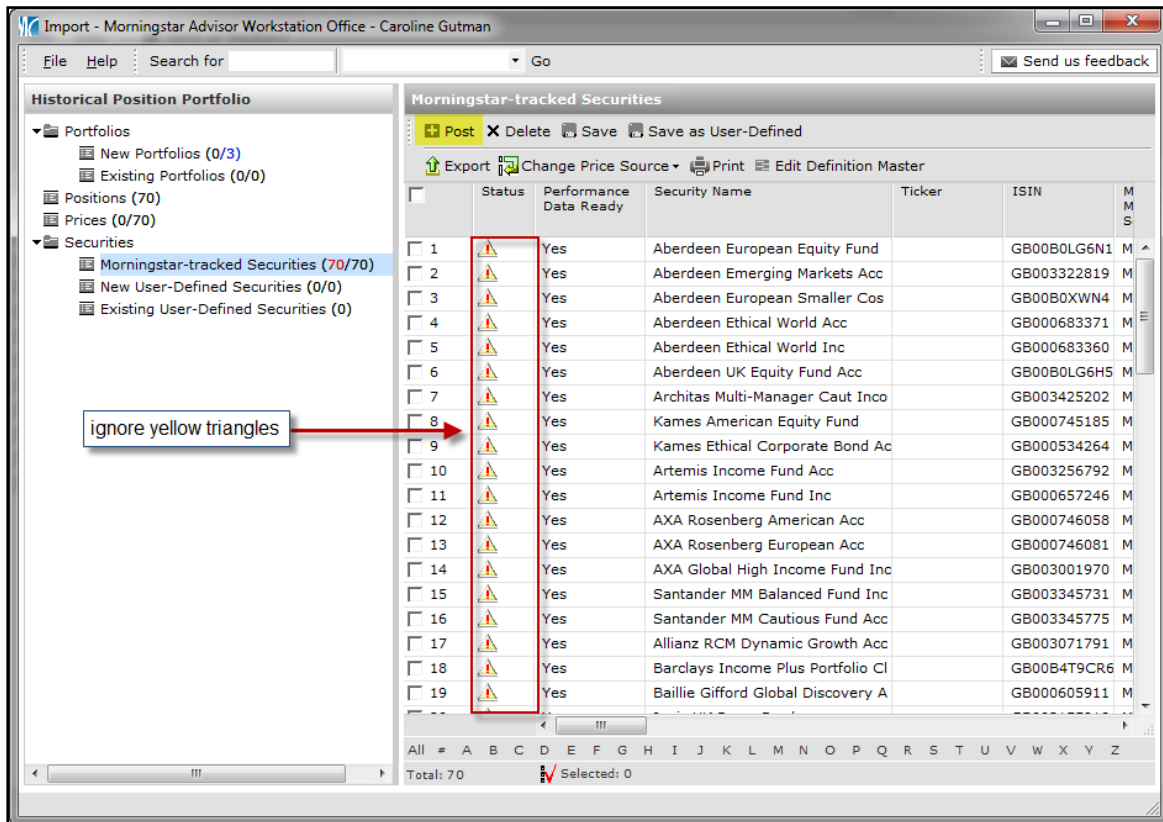

Transact Access Code: 123456789

Transact PIN: 9876

Transact Provider Key: TU8KHJHD7

Buttons: Help, OK, Cancel

If you see any red triangles in the next window, double click the security to select the currency, share class or stock exchange. Adviser Workstation will remember the selection for your next import. Ignore any yellow triangles:

Import - Morningstar Advisor Workstation Office - Caroline Gutman
